

PREPARED FOR

Elite Dental Wellness

Cosmetic Dentist | Houston, TX

Current Rank	Started At	Net Change	Rating	Reviews	Weeks Tracked
#16	#18	+2	4.9	891	10

At #16 you sit below the top 3 -- where ~70.3% of Google Maps clicks land. Your position now captures an estimated 0.8% of clicks, about 87.9x fewer searchers than a top-3 listing. Since your best position of #10, that is roughly 33% fewer clicks reaching you.

WHAT YOUR POSITION IS COSTING YOU

0.8% estimated share of Map clicks you capture now	70.3% share the top 3 listings split between them	87.9x fewer searchers reach you vs a top-3 rival
---	--	---

WHAT HAPPENED

Elite Dental Wellness dropped from position #10 to #16 over the scan period, a 6-position decline. During the same 12-week window, three competitors directly above you in the rankings gained new reviews: Cosmetic Dentists of Houston added 5 reviews, The Houston Dentists added 5 reviews, and Konig TMJ & Cosmetic Dentistry added 1 review. Your profile recorded zero new reviews in the most recent week.

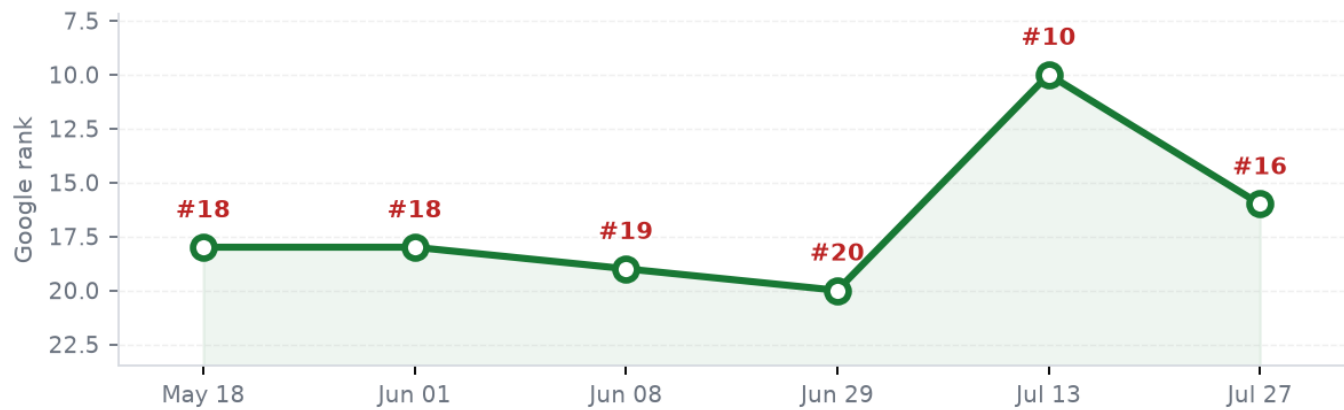

WHY YOU SLIPPED

- [HIGH CONFIDENCE] SMYL Dentistry climbed 3 positions to rank #11 while accumulating 44 reviews over the scan period at a 5.0 star rating, compared to your review velocity of 1.12 per week. This competitor's review acquisition rate outpaces yours by a factor of approximately 4.
- [HIGH CONFIDENCE] Four competitors above your current position hold equal or higher star ratings. Sapphire Smiles - Dr. Antoun | Leading Cosmetic Dentist in Houston now holds 917 total reviews at 5.0 stars and ranks #2, while you remain at 4.9 stars with 891 reviews, suggesting review recency and rating parity matter in local pack ordering.
- [MEDIUM CONFIDENCE] Your multi-week trend shows volatility with a recent recovery. Rank history across 6 scans over 9.9 weeks shows positions of #18, #18, #19, #20, #10, #16 -- your best position (#10) occurred recently, but the current drop to #16 indicates the improvement may not be sustaining without review activity.

YOUR STANDING

Your confidence score is 10/10, meaning the rank drop and underlying data are reliable and not due to measurement error. However, the rank volatility over the prior 6 scans -- ranging from #10 to #20 -- suggests this market is competitive and positions can shift week to week. The drop to #16 warrants action, but your standing within the category remains strong: you hold 891 reviews in the 80th percentile by volume and match the market average rating of 4.9 stars.

YOUR RANKING TREND (10 WEEKS)

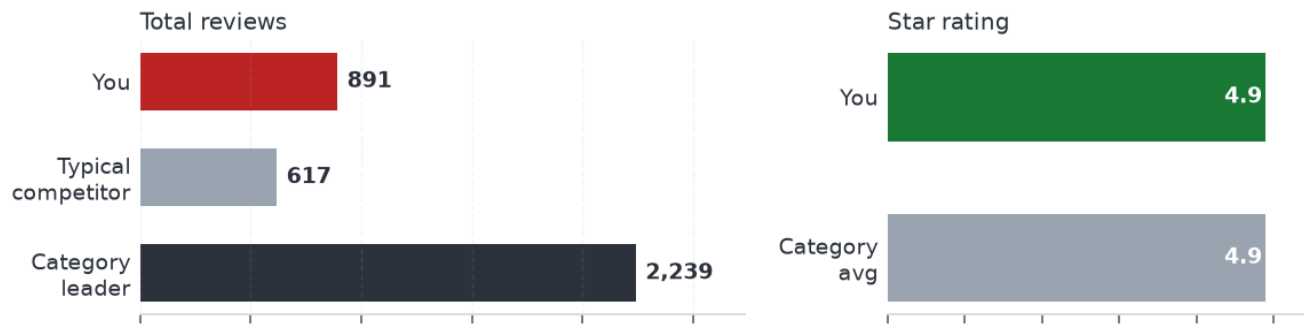

Trending up -- keep the review and posting cadence that is working.

THE REVIEW RACE -- WHO'S PULLING AHEAD

Reviews and their recency drive roughly 16% of local-pack position (Whitespark 2025). Competitors are adding them faster than you -- the top rival gained 146 in this window.

HOW YOU COMPARE IN YOUR CATEGORY

By review volume you are in the 80th percentile of your 20-listing pack -- ahead of most of your market. The category leader holds 2,239 reviews; the typical competitor holds 617.

WHO'S WINNING YOUR MARKET

#	Business	Rating	Reviews	Rev +/-
#1	Cosmetic Dentists of Houston	4.9	654	+32
#2	Sapphire Smiles - Dr. Antoun Leading.	5.0	917	+146
#3	Cosmetic Dental Associates	5.0	294	+13
#4	Cosmetic Dental Texas	4.6	234	0
#5	Konig TMJ & Cosmetic Dentistry	4.9	377	+14
#6	The Houston Dentists	5.0	737	+31
#7	Uptown Cosmetic & Implant Dentistry	4.8	153	+3
#16	Elite Dental Wellness <- YOU	4.9	891	--

You already hold more reviews (891) than the 15 listings ranked above you (avg 658). That points away from raw review count and toward proximity, your primary Google category, review recency, and profile activity as what is moving your rank. The recovery plan targets exactly those.

WHO'S MOVING

- Fastest climber: SMYL Dentistry rose +3 positions to #11 (+44 reviews).
- Most reviews added: Sapphire Smiles - Dr. Antoun | Leadin. +146 reviews (now 917 total).
- Biggest drop: Nu Dentistry fell 6 positions to #8 -- an opening if you act before they recover.

DO THIS NEXT

1. Implement a post-appointment review request system for new cosmetic dentistry patients. Why now: Zero new reviews this week while competitors gained 1 to 5 reviews each week signals your patient feedback collection is inactive. Your review velocity of 1.12 per week is moderate but must accelerate to compete. Effort: Low. Expected impact: High.
2. Prioritize completing 5-star cosmetic cases and encourage video reviews or detailed written reviews from satisfied smile-transformation patients. Why now: Sapphire Smiles holds 917 reviews at 5.0 stars versus your 891 reviews at 4.9 stars; maintaining rating parity while closing the review count gap will stabilize and improve rank. Effort: Medium. Expected impact: Medium.
