WHAT HAPPENED

Our scan on August 06, 2026 recorded Midwest Injury Lawyers at position #16, down 7 positions from #9 the prior week. During the same period, your leading competitor Malman Law gained 23 new reviews while your profile gained 0 reviews this week. Across the broader market, your review volume sits at 130 total compared to the category average of 947 -- placing you in the 10th percentile by review count.

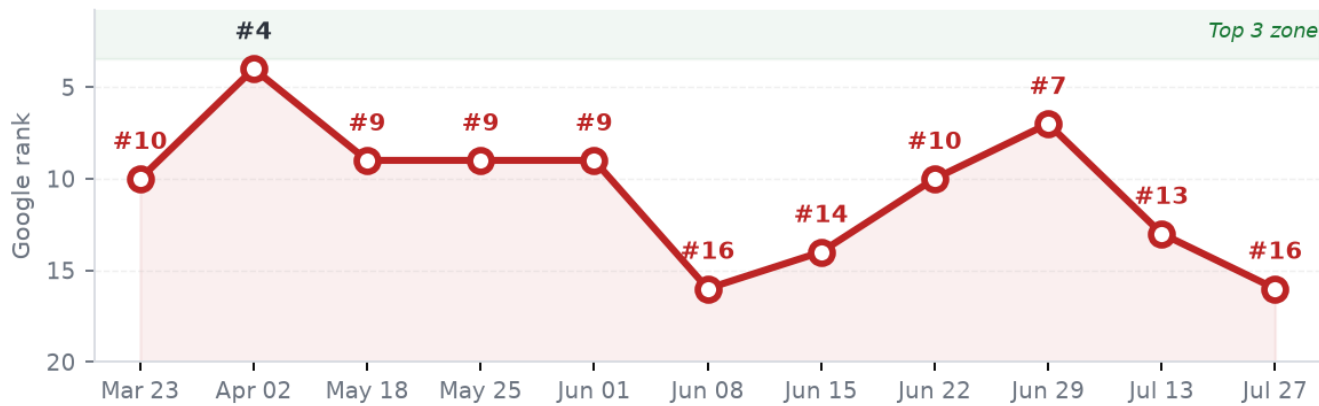

WHY YOU SLIPPED

- [HIGH CONFIDENCE] Malman Law gained 407 reviews over the scan period and now holds rank #1 with 5043 total reviews; Zayed Law Offices gained 46 reviews and climbed 11 positions to #7. Your review velocity of 0.39 per week (7 reviews over 17.9 weeks) is substantially slower than these competitors' acquisition rates. Google's local algorithm signals favor actively reviewed businesses, and the data suggests review activity is a primary differentiator in this competitive category.
- [HIGH CONFIDENCE] Your rank history over 17.9 weeks shows a declining pattern: best position #4, worst position #16, with current position #16. The 11-week trend shows volatility but net downward movement -- you have occupied rank #16 three times in the recent data, suggesting difficulty maintaining higher positions.
- [MEDIUM CONFIDENCE] The category health score of 5.0/10 indicates this is a saturated market. The category leader holds 5043 reviews versus your 130. Your 5.0-star rating exceeds the market average of 4.85 stars, but review volume appears to outweigh rating quality in ranking decisions.

YOUR STANDING

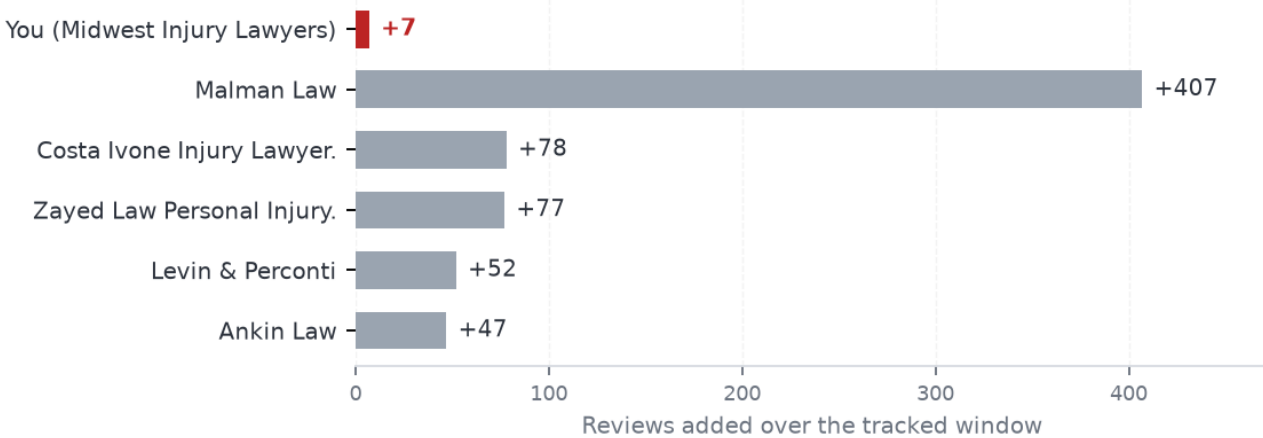

Confidence score is 10/10 based on complete data availability. This means the measured rank drop is reliable and reflects actual Google local positioning as of August 06, 2026. No waiting period is needed -- the data is solid enough to act on immediately.

DO THIS NEXT

1. Implement a structured review request system targeting recent clients. Why now: Your profile gained 0 reviews this week while Malman Law gained 23 and Zayed Law Offices gained 46. At your current velocity of 0.39 reviews per week, you would need to 3x your acquisition rate to stay competitive. Effort: Low. Expected impact: High.
2. Audit and respond to all 130 existing reviews within the next 14 days, prioritizing the most recent. Why now: Active engagement signals are weighted by Google's algorithm, and competitors climbing the rankings (Connolly Injury Law +12 positions, Zayed Law +11 positions) have concurrent review growth. This costs minimal time but may signal recency and attentiveness. Effort: Low. Expected impact: Medium.
