WHAT HAPPENED

Our scan on September 10, 2026 recorded Taylor Simmons - Denver & Summit County Real Estate Agent at position #20, down from #10 the prior week. Over the 13-week measurement period, you dropped 10 positions overall. During this same period, direct competitors gained reviews while your profile remained stagnant: LUX Real Estate Company ERA Powered gained 2 new reviews and Coleen Sanders gained 1 new review, while you received 0 new reviews.

WHY YOU SLIPPED

- [HIGH CONFIDENCE] No new reviews this week while competitors actively accumulated them. Google's local algorithm favors businesses with ongoing review velocity. Your profile shows -0.07 reviews per week over 15 weeks, indicating a stalled review stream that likely contributed to the rank decline.
- [HIGH CONFIDENCE] Team Vivi at eXp Realty Denver gained 5 reviews during the scan period and climbed 2 positions to rank #7, demonstrating the direct correlation between review accumulation and rank improvement in this category.
- [MEDIUM CONFIDENCE] Your rank pattern is volatile rather than steadily declining. Your best position was #10 and worst was #20 across 10 scans over 15 weeks. This volatility suggests the drop may be temporary, but the lack of new reviews is likely preventing stabilization at higher positions.

YOUR STANDING

Confidence score is 10/10, meaning the data is complete and reliable. The 10-position drop from #10 to #20 is a measured fact. However, your volatile rank history suggests this position may not persist. The data supports taking action on reviews now rather than waiting.
