DO THIS NEXT

1. Implement a systematic post-case review request process targeting recent client settlements and case closures. Why now: Your review velocity of 0.82 per week is slow relative to Morgan & Morgan's momentum (+121 reviews in the period). Effort: Low. Expected impact: High.
2. Audit and respond to all recent reviews to push your rating closer to the market average of 4.9 stars. Why now: Nine competitors above you have higher ratings; your 4.8-star rating is a measurable disadvantage in local ranking algorithms. Effort: Low. Expected impact: Medium.
3. Analyze the service messaging and case types emphasized by Morgan & Morgan and Suarez And Montero to identify potential content gaps in your local service pages. Why now: Both competitors rank ahead with substantially higher review counts; understanding their positioning may reveal underserved practice areas in the Miami market. Effort: Medium. Expected impact: Medium.
